

FREE-RANGE BRITISH COUNTRY DUCK CERTIFICATION

21 September 2026

ESSENTIAL FOODS sources exclusively fresh free-range British country duck. Duck is a high-quality, nutritious source of animal protein. Naturally rich in protein and essential nutrients, duck provides a wholesome and highly palatable source of nourishment. With its rich, distinctive flavour and tender texture, duck offers a delicious alternative to more traditional poultry proteins.

Our free-range British country duck is sourced from Farm Assured certified farms, providing confidence that the birds are reared, handled and cared for in accordance with recognised standards of animal welfare, food safety and traceability.
